Mello! I visited the cinema last week. I decided to watch "My Little Pony" film. I ~~use~~ was used to watch a lot of films about ponies when I was a child. I can rate it by 4 stars. Characters are very good, also I liked the graphics of the film. Looks really cool. Story is not bad but if you watched other films about ponies I don't think you will like it this one. Sometimes character's decisions are not clever at all. Also I didn't like the songs at all. The lyrics was not interesting and the music was very simple. But anyway I'll recommend the film to my friends.
